Code of Ethics

Adults who work with students in inter-scholastic activities should present a positive role model for them to emulate. Students who represent a school in inter-scholastic activities must be creditable school citizens.

The South Central Zone (SCZ or Zone) recognizes that the school administration is responsible for all athletic programs and the conduct of all school representatives, whatever the level and location of the competition. In recognition of this authority and responsibility, the Zone represents the following general guidelines.

1. All competition must be conducted with a high standard of courtesy, fair play and sportsmanship. All those involved share a responsibility.
 - a. Coaches
Coaches must demonstrate qualities of courtesy and good sportsmanship. These are evidenced by proper acceptance of officials' judgments, positive encouragement of player performance and bench behavior.
 - b. Athletes
Athletes must demonstrate qualities of courtesy and good sportsmanship by proper acceptance of officials' judgments, and by showing proper respect for opposing athletes as well as for teammates.
 - c. Cheerleaders
Cheerleaders must demonstrate courtesy and good sportsmanship by the appropriateness and timeliness of the cheers they lead, respect for the other cheerleaders and athletes, and their attempts at effective crowd control.
 - d. Spectators
 - i. Spectators, both student and adult, must demonstrate courtesy and good sportsmanship by positive cheers of encouragement for their team, not against the opposing team. This is evidenced by the absence of booing and vulgarities. Spectators must also show proper acceptance of officials' judgment. Artificial noisemakers are not permitted during Zone Championship Tournaments/event including: Badminton, Basketball,

Cheerleading, Curling, Golf, Team Handball, Track and Field, Volleyball and Wrestling. With the exception of air horns and electronic megaphones, noisemakers are permitted at Cross Country, Football and Rugby. Prohibited noisemakers may include but are not limited to: air horns, cow bells, plastic tube horns, garbage can lids, etc. The Zone Championship host shall have the authority to eject from the competition facility individuals who, following a warning, refuse to comply with this requirement.

ii. Eviction for Inappropriate Language and/or Behaviour

The Host Committee or its designated representative shall have authority to direct any person to immediately leave any premises or venue hosting any ASAA sanctioned event if that person:

1. exhibits rude or abusive behaviour to any other person
2. uses vulgar, obscene or abusive language and/or gestures
3. fails to promptly follow any reasonable direction given to that person by the designated representative of the Zone Host Committee or its designated representative shall have the authority to notify local law enforcement personnel of the failure of any person to immediately comply with a direction to leave any premises or venue hosting any zone sanctioned event.

e. Administrators and teachers

Administrators and teachers must demonstrate courtesy and good sportsmanship by setting a positive example.

2. During zone competition, every school team must be accompanied by a teacher-coach, teacher-supervisor or an agent of the board.

Expense that are not eligible:

trainers, massage therapists, photocopying, programs, pictures, and all-star awards.

Soccer	\$200
Volleyball	\$275

(These are guidelines and there is nothing wrong with running the championship at a cheaper rate than this!)

The zone awards are going to cost approximately \$65/ banner and \$6/ medal for Senior high and Junior high and can be calculated for your zone championship.

Remember hosting zone championships are not for fundraising for your school team. Please try to just cover your operating costs.

Be sure to complete a **tournament statement** form found on the web site

(http://southcentralzone.com/?page_id=8) under documents after the championship is complete. This form shows your financial standings but also gives the results from the championship.

Zone hosts should provide the zone secretary with:

an e-mail address and a contact number where the host can be reached at the day after the championship. (ie. cell phone # or home phone #)

It would also be very much appreciated if the zone host could forward a contact number or e-mail address to the zone secretary for the winning team or teams qualifying for provincials.

Zone Results must be submitted to the zone secretary in a timely fashion so that they can be posted on the website as quickly as possible. This is the most used method of communicating results to all now! These should be sent in the night of or next day following the completion of the championship!

A. Rules

The rules of Volleyball Canada shall govern SCZ volleyball, with the following ASAA modifications:

1. Substitutes - The modified 12 substitute rule will be used. The rule is as follows:

- a) a team shall be allowed a maximum of 12 substitutions in any one game
- b) a player may leave the game and re-enter the game, but only for the same player. Players are 'tied' together; e.g., 7 for 12 - these two players are attached for that game and a player must re-enter for the same player
- c) unlimited substitutions are allowed up to 12 per game

Examples:

- i. 7 for 12; 12 for 7 (2 subs) x 6 12 subs
- ii. 7 for 12; 12 for 7 (2 subs) x 2 4 subs
- 8 for 6; 6 for 8 (2 subs) x 4 8 subs

2. The top of the net is to be set at the height of 2.43 m for males and 2.24 m for females (Varsity and Junior Varsity). The net height for Junior Varsity boys will be 2.35m.

3. Allow teams to list up to 15 on the scoresheet.
4. ASAA is not adopting the FIVB uniform rule.
5. Athletes of one gender must compete for a school team with athletes of the same gender.
6. Timeouts shall be one minute in duration.
7. The official game ball to be used for SC Zone Volleyball competitions shall be the Tachikara SV5W Gold-SWB.

B. Officials

1. The SCZ recognizes the Alberta Volleyball Association as the official organization for training and certifying of officials and gives its full support by using certified neutral officials.
2. It is the responsibility of the Zone competition chairperson to ensure that minor officials - linesmen and scorekeeper are properly trained and present.

C. Competitions

1. Schools are required to contact the regional host a minimum of two weeks before the event to indicate their intentions to participate in the regional tournament.
2. The regional host will contact the zone host with the results from the regional tournament.
3. If there are an odd number of teams in the zone competition, the Commissioner and host may add an additional team.
4. When preparing round-robin pools, teams are to be seeded according to their area or division record. If at all possible the ranking of pools should be as follows:
Pool A: 1, 4, 5, 8, 9, and 12
Pool B: 2, 3, 6, 7, 10, and 11
5. Zone competition will consist of two pools with a crossover as per ASAA policy.
6. The volleyball Commissioner, upon consultation with the Executive and Zone host, has the flexibility, in the case of an emergency or last-minute special situation, to modify the draw.
7. Game play is formatted with the following:
 - a. All matches shall consist of rally point scoring to the best two of three games. The first two games are played to 25 points, no cap. The third game to 15 points with no cap.
 - b. Upon completion of round-robin play, the top three teams of each section advance to an elimination match. The first place team from each pool receives a bye; the second place teams play the third place teams from the other pool. The winners of the two matches play the first place teams to determine the finalists. With tournaments of 6 teams or less, see format on p. 51 & 52.
 - c. Tie breaking procedures:

- i. The Volleyball Canada tie-breaking procedure is used as outlined below. This system is used to rank teams in a pool, but is not used to eliminate a team. If teams are tied for the last play-off spot, the lowest ranked team will play one game to 25 points (no cap, win by two points) against the next lowest ranked team. If the winner of this game is still tied with another team for the last play-off berth, these two teams will play one game to 25 points (no cap, win by two points) and so on, until the winning teams is no longer tied for the last berth. For each of these elimination games, there will be a minimum warm-up of 15 minutes [5 minute warm-up, followed by 5-5 (serve within your 5 minutes)] to allow the teams an adequate warm-up. If two or more teams are tied at the end of the preliminary round, the following criteria will be applied, in order:
- The team having the best ratio of won/lost matches, considering only matches played between the tied teams, will be ranked higher.
 - The team having the best ratio of won/lost games, considering only matches played between the tied teams, will be ranked higher.
 - The team having the best ratio of won/lost games, considering all matches of the round, will be ranked higher.
 - The team having the best ratio of points for/against, considering only games played between the tied teams, will be ranked higher.
 - The team having the best ratio of points for/against, considering all games played during the round, will be ranked higher.
 - Any game needed to break ties will be a single game, rally point scoring to 25 points with a two point difference to determine placing.
- ii. Matches or games between tied teams, means that only matches or games involving tied teams should be included in the calculation. Ratios are calculated using won/lost ratio, not lost games/games won.

If teams are tied for the last play-off spot, the lowest ranked team will play one game to 25 points (no cap, win by two points) against the next lowest ranked team. If the winner of this game is still tied with another team for the last play-off berth, these two teams will play one

game to 25 points (no cap, win by two points) and so on, until the winning teams is no longer tied for the last berth. For each of these elimination games, there will be a minimum warm-up of 15 minutes that includes five minutes of serving per side. If two or more teams are tied at the end of the preliminary round, the following criteria will be applied, in order:

- The team having the best ratio of won/lost matches, considering only matches played between the tied teams, will be ranked higher.
 - The team having the best ratio of won/lost games, considering only matches played between the tied teams, will be ranked higher.
 - The team having the best ratio of won/lost games, considering all matches of the round, will be ranked higher.
 - The team having the best ratio of points for/against, considering only games played between the tied teams, will be ranked higher.
 - The team having the best ratio of points for/against, considering all games played during the round, will be ranked higher.
 - Any game needed to break ties will be a single game, rally point scoring to 25 points with a two point difference to determine placing.
- ii. Matches or games between tied teams means that only matches or games involving tied teams should be included in the calculation. Ratios are calculated using won/lost ratio, not lost games/games won.
